

PEAK JUNIOR SCHOOL AND DAY CARE NAKABUGO

P.4 TERM I HOME WORK

2025

NAME: _____

COMPILED BY Tr. BABEL

BORN TO LEAD

P.4 HOME WORK

WEEK ONE

SOCIAL STUDIES 1:

1. Write one animal that is used for transport.

2. What is the advantage is keeping dogs in a home?

3. Give one example of a social service.

4. Name one tribe in Uganda that circumcises men.

5. Why is it bad for a P.4 child to move alone at night?

6. Which bank in Uganda heads all commercial banks?

7. Name one commercial bank in Uganda.

8. Give the meaning of the term banking.

9. Who was the most beloved apostle of Jesus Christ?

10. Who was the first successor of Prophet Muhammad?

MATHEMATICS 1:

1. Name the shapes below

(c)

(b)

2. Tell the time

(a)

(b)

3. Change the following hours to minutes.

(a) 4 hours

(b) 6 hours

(c) $\frac{1}{2}$ hours

SCIENCE 1:

1. List down any two compositions of soil.
 - i) _____
 - ii) _____
2. Identify the type of soil formed by weathering.

3. Name any two organisms which help in movement of air in soil.
 - i) _____
 - ii) _____
4. Mention the type of soil used in making glass.

5. What is soil erosion?

6. Identify any four causes of soil erosion.
 - i) _____
 - ii) _____
 - iii) _____
 - iv) _____
7. Suggest any four ways of controlling soil erosion.
 - i) _____
 - ii) _____
 - iii) _____
 - iv) _____
8. What do we call the vertical arrangement of soil layers?

ENGLISH 1:

Fill in using "a", "an" or "the"

1. _____apple is a fruit.
2. _____ Nile is the longest river.
3. The boy is cutting down _____ big tree.
4. The lesson took _____ hour.
5. There is _____water in a lake.

Read the rhyme below and answer the questions about it in full sentences

Betty bought a bit
Of butter to make
The bitter butter better.

Questions

1. Who bought a bit of butter?

2. Why did Betty buy a bit of butter?

3. How many lines has the rhyme?

4. Write down the opposite of the better.

5. What is the plural of butter?

SOCIAL STUDIES 2:

1. Name the map symbol shown below;

2. Which direction is shown by letter X?

3. Of what importance is a key on a map to map users?

4. Write the word used to refer to sending and receiving of messages?

5. Which service is provided to the public by a police officer?

6. Give three importance of money to people.

- i) _____
ii) _____
iii) _____

7. Why did Kintu visit Gulu's palace?

8. Which bird is found in the middle of the Uganda National Flag?

9. Why did God create man?

10. Why did Allah create man?

MATHEMATICS 2:

1. Add sh 350 + shs 50
2. Musa had shs 800 and bought a pen at shs 500. What was his change?
3. Use the price list below to answer the following questions

Item	Price
A pen	Shs 300
A book	Shs 500
A ruler	Shs 500
Doughnut	Shs 600

- (a) Find the total cost of 2 pens.
- (b) What is the most expensive item?
- (c) How much will Mary pay to buy all the items above?

SCIENCE 2:

1. Mention any one type of change in the environment.

2. Give any two examples of man made changes.

i) _____

ii) _____

3. What is drought?

4. Mention one result of rotation of the earth.

5. State conditions necessary for metals to rust.

i) _____

ii) _____

6. Suggest any two ways of preventing rusting in metals.

i) _____

ii) _____

7. Write down any one type of metal.

8. Mention any two effects of changes in the environment.

i) _____

ii) _____

9. What is sunny weather?

10. Mention any two activities done in a wet season.

i) _____

ii) _____

ENGLISH 2:

Use "has" and "have"

1. Mr. Mutebi _____ a big farm.
2. We _____ two cars at home.
3. She _____ gone to the market.
4. Naume and Shillah _____ nice uniforms.
5. _____ you seen the thief around here?

Use the words given in the box to complete the story.

Weed, are, them, garden, remove
--

- George: Have you watered your plants in the _____
- Joel : Oh my dear thank you for reminding me.
- George: When do you usually water your plants?
- Joel : I usually water _____ in the mornings and evenings.

- Joshua: Thank you. Tomorrow I am going to _____ all my maize plants.

WEEK TWO

SOCIAL STUDIES 1:

1. What do we call a group of trees in one area?

2. What material is got from a ficus tree?

3. From which animal did Kampala get its name?

4. Write the local name of L. Victoria.

5. State two tools used to catch fish.

i) _____

ii) _____

6. Give four ways in which children's rights are abused in your district?

i) _____

ii) _____

iii) _____

iv) _____

7. What does the following symbol show on a map?

8. Mention example of a cultural practice.

9. Name the first book in the Bible.

10. Name the place where Adam and Hawa lived.

MATHEMATICS 1:

1. Change 3M to cm.

2. Express 600cm to metres.

3. Below is a rectangle.

(a) Find the value of;

(i) $a =$ _____ (ii) $b =$ _____

(b) Work out its perimeter.

(c) Find its area.

4. Add: $\begin{array}{r} 1 \quad 41 \\ 3 \quad 45 \\ 2 \quad 20 \\ \hline \end{array}$

5. How many half litre bottle can be obtained from 2 litres?

SCIENCE 1:

1. Define the term air.

2. Under which group of gases do we find xenon and argon gas?

3. Why is carbondioxide used in fire extinguishers?

4. Name the gas used in respiration.

5. Mention any one item that uses compressed air.

6. Why is carbondioxide used to preserve some soft drinks?

7. Name the biggest star in the sky.

8. Why do shadows appear longer in the morning and evening?

9. Give any one importance of shadows to man.

10. Mention any one characteristic of shadows.

ENGLISH 1:

Give the plural of these words

1. Roof

2. Sand

3. Mosquito

4. News

5. Piece of chalk

Re-write giving one word for the underlined group of words.

6. My uncle is a man who collects bus fare.

7. Sam is a person who writes poems.

8. Her mother is a woman who treats sick people.

9. Their goat gave birth to two young ones.

10. The second month of the year is always dry.

SOCIAL STUDIES 2

1. Apart from using a compass, give one other way of finding directions.

2. Name two traditional means of communication.

i) _____

ii) _____

3. What was the use of the instrument below to early man?

4. Name the tool shown in the diagram above.

5. Give the use of cows to man.

6. What is the use of the tool shown in the diagram below?

7. Why are there class rules?

8. What general name was given to Kintu's sons?

9. In which place was Jesus killed on the cross?

10. In which city was Prophet Muhammad born?

MATHEMATICS 2:

1. Change 5kg to grams

2. Subtract:

kg	g
7	500
<u>3</u>	<u>300</u>
<hr/>	

3. Find the missing number

(a) + 4 = 11

(b) - 6 = 2

(c) 3 x = 9

4. Simplify $a + a + a$

5. I think of a number add 2 to it, the answer is 9. What is the number?

SCIENCE 2:

1. What is dehydration?

2. Give two signs of a dehydrated person.

- i)

- ii)

3. Explain the term rehydration.

4. How best can a dehydrated person be treated?

5. Identify one mineral salt that is replaced during rehydration.

6. Write ORS in full.

7. What is the first step in the preparation of ORS?

8. Which solvent is used in the preparation of ORS?

9. Why should a dehydrated person be given plenty of fluids (drinks)?

10. Write two causes of dehydration.

- i)

- ii)

ENGLISH 2:

Write the opposites of the following words

1. Easy

2. Heavy

3. Polite

4. Kind

5. Smart

Arrange the jumbled sentences to make a good story.

1. When the chicks are young.
2. Hens are very patient birds.
3. The hen takes care of them until they grow.
4. They sit on their eggs for twenty one days.
5. After these days, the chicks come out.

WEEK THREE

SOCIAL STUDIES 1:

1. What are crops that people grow for sale?

2. Give one example of a cash crop.

3. Name one product obtained from cotton.

4. What does the road sign below tell drivers?

5. What is the major duty of the police?

6. Give an example of children's rights.

7. Write one Gospel book.

8. Draw one local means of communication in the space provided below.

9. Who was Prophet Muhammad's first wife?

MATHEMATICS 1:

1. Workout using repeated addition.

$$3 \times 2 = \underline{\quad} + \underline{\quad} + \underline{\quad}$$
$$= \underline{\quad}$$

2. Add: $\frac{3}{10} + \frac{4}{10}$

3. Okello is 8 years old. How old will he be in 2 years time from now?

4. What is $\frac{1}{2}$ of 6 oranges?

5. Use the number line to work out the following questions

(a) $4 + 2 = \underline{\quad}$

(b) $8 - 5 = \underline{\quad}$

SCIENCE 1

1. What is a vector?

2. Why is a housefly referred to as a vector?

3. Give two ways vectors are dangerous to man.

i)

ii)

4. Name two vectors that are not an insect.

i)

ii)

5. What disease is spread by rat fleas?

6. What type of life cycle does a cockroach undergo?

7. How is the life cycle of a tsetse fly different from that of a housefly?

8. Why is the pupa stage in the life cycle of an insect said to be a dormant stage?

9. How is a housefly able to carry germs from one place to another?

10. Which type of mosquito spreads elephantiasis?

ENGLISH 1:

Write the following in full.

i) I've

ii) Tue

iii) Pri.

iv) Dr.

v) Tr.

Make 5 correct sentences from the table below

There is	some	water	in the garden.
There are		beans	in the sack.
		milk	in the jug.
		cabbages	in the pot.
		meat	on the plate.
		oranges	in the basket.

i) _____

ii) _____

iii) _____

iv) _____

v) _____

SOCIAL STUDIES 2:

1. How is the title of a map useful to a map reader?

2. Which type of transport is most commonly used in Uganda?

3. Give three causes of child abuse in homes today.
 - i) _____
 - ii) _____
 - iii) _____
4. What are the cardinal points on a compass?
 - i) _____
 - ii) _____
 - iii) _____
 - iv) _____
5. What title is given to the head of the police force in Uganda?

6. State one role of a good citizen in Uganda.

7. How are social services important to people?

8. Give three examples of social activities.
 - i) _____
 - ii) _____
 - iii) _____
9. Why do Muslims circumcise boy children?

10. Why was Jesus circumcised after a week of His birth?

MATHEMATICS 2:

1. If set $K = \{\text{vowel letters}\}$
List the members of set K

2. Describe the shaded region.

3. What does the set symbol \cup mean?

4. Shade $\frac{1}{2}$

5. Complete the table.

X	1	3	5
2	2	—	—
0	—	—	0
3	—	—	15

SCIENCE 2:

1. What is First Aid?

2. State one reason why we should give First Aid.

3. Who is a casualty?

The diagram below shows a first aid equipment. Study it and answer question 4 and 5.

4. Name the first aid equipment shown above.

5. State the use of the first aid equipment shown in the diagram above.

6. How is a first aid box different from a first aid kit?

7. Give one quality of a good first aider.

8. How is a bandage useful to a first aider?

9. Mention two objects that can cause an accident at home.

i)

ii)

ENGLISH 2:

Use the correct form of the words given in brackets

1. A friend of _____ gave me a nice pen. (me)
2. Akello is _____ than her sister Adong. (beautiful)
3. The _____ which I made was very good. (decide)
4. She walked _____ to her office. (slow)
5. The two _____ have just crossed the road. (ox)

Read the letter below and answer and the questions that follow.

P.O. Box 3067
Kampala
17th April, 2016

Dear Sam,

I would like to invite you to my birthday party. It is on Saturday 27th April at 3:30pm at our home. I have invited all my friends and classmates. My brother has come from Sweden and he will be happy to see you.

Your loving friend.

Godwin.

Question

1. Who has written the letter?

2. To whom was the letter written?

3. When is Godwin's birthday party?

4. What time is his birth day party?

5. Who has come from Sweden?

WEEK FOUR

SOCIAL STUDIES 1:

1. Name the line of latitude which is 0°.

2. Give the importance of nimbus clouds to people.

3. Which group of people provides health services in your district?

4. What title is given to the cultural ruler of Tooro kingdom?

5. Why is a thermometer important to doctors?

6. Give one activity done at a police post.

7. Give one traditional use of bark cloth in Buganda.

8. Write UWESO in full.

9. Mention two symbols of a Christian family.
 - i) _____
 - ii) _____
10. Give two symbols of a Muslim family.
 - i) _____
 - ii) _____

MATHEMATICS 1:

1. What is a set?

2. Below is a set.

(a) List the elements of set K.

(b) Find $n(K)$

3. Name the set.

4. Name the set symbols.

(a) \leftrightarrow

(b) \subset =

(c) \cap =

SCIENCE 1:

1. Why is a maize plant called a flowering plant?

2. Apart from a maize plant, give one other example of a flowering plant.

3. State one way plants are different from animals.

4. How do most flowering plants reproduce?

5. The diagram below shows a section of a flowering plant.

Name the part marked **X**.

6. Name the part of a flowering plant marked **Z**.

7. What name is given to the system marked **y**?

8. Which system of a plant is found above the ground?

9. How is a flowering plant different from a non- flowering plant?

10. Give one example of non-flowering plant.

ENGLISH 1:

Punctuate the following sentences correctly

1. lake victoria is the largest in uganda.

2. i am called j.b mukasa

3. where are you going

4. my mother works at nakasero

5. what an interesting activity scouting is

Complete the table sensibly

Singular	Plural
Orange	_____
_____	Rice
Key	_____
Fax	_____
Success	_____

SOCIAL STUDIES 2:

1. What are crafts?

2. What activity takes place in a bank?

3. Name one area where early man once lived.

4. Give one reason why people grow coffee.

5. What is child abuse?

6. Give any two examples of child abuse you know.

i)

ii)

7. Which type of rainfall is received in areas around L. Victoria?

8. State one product of soft wood.

9. Write BOU in full.

10. Name any three apostles of Jesus Christ.

i)

ii)

iii)

11. Name any two body parts cleaned during wudhu.

i)

ii)

MATHEMATICS 2:

1. Write true or false.

$$A = \{a, b, d, c\}$$

$$B = \{1, 2, 3, 4\}$$

Set A is equivalent to set B _____

set A is not equivalent to set B _____

2. Draw elements in set B to make the two sets equal.

3. Draw a set symbol for a null set.

4. Write empty set or not empty set.

(a) A set of cows with 5 legs. _____

(b) A set of women with breasts. _____

SCIENCE 2:

1. State one use of leaves to a plant.

2. The diagram below is of a leaf.

State the function of the structures marked **Z**.

3. What type of venation does the leaf in the diagram above have?

4. Identify the type of leaf shown in the diagram above.

5. What is transpiration?

6. State one way plants reduce the rate of transpiration.

7. How is transpiration important to a plant?

8. Define the term photosynthesis.

9. State the role of chlorophyll during photosynthesis.

10. What is the main product of photosynthesis?

ENGLISH 2:

Change the sentences to plural

1. This is a tree.

2. I am not sick.

3. That dog has a puppy.

4. He has a nice bag.

5. The sheep is grazing.

Find these words on the table by circling.

a	b	b	i	a	c	k	c	d	e
b	r	o	w	n	f	g	h	i	j
t	a	l	l	k	l	k	i	n	d
g	o	o	d	m	n	c	p	a	n
s	t	u	l	v	o	g	a	x	e
w	s	r	m	o	o	n	e	r	r
t	i	c	k	s	n	l	k	u	s
g	a	n	y	t	h	l	n	g	l

1. girl

3. moon

2. car

4. axe

3. brown

5. kind

WEEK FIVE

SOCIAL STUDIES 1:

1. What does the term natural vegetation mean?

2. Mention one crop grown in swamps.

3. Why is Kampala divided into divisions?

4. What type of rainfall is received in hilly areas?

5. What are social activities?

6. How is a library useful in a school?

7. Write UPDF in full.

8. What is Uganda's national emblem?

9. What name was given to the Promised Land?

10. In which city is the Holy Kaaba found?

MATHEMATICS 1:

1. Describe the shaded parts.

2. Shade set M.

3. List all the subsets from set Q below.

$$Q = \{0, 2\}$$

4. Use the venn diagram below to answer the questions that follow.

(a) Find $P \cap Q$

(b) List down the members of set $P \cup Q$

SCIENCE 1:

1. How is a stem useful to a plant?

2. What type of stem does a mango tree have?

3. Study the diagrams shown below and answer the questions that follow.

4. What method is shown in diagram A?

5. Name the structures marked **X** in diagram **B**

6. Why do some plants climb others?

7. The diagram below shows a root system.

Identify the root system shown in the diagram.

8. Give two examples of plants with the above root system.

i) _____

ii) _____

9. How are prop roots useful to a maize plant?

10. What name is given to the structures of a root that absorb water from the soil?

11. Give two examples of stem tubers.

i) _____

ii) _____

12. Below is a diagram of a maize grain.

(a) Name the parts marked with letters:

i) **A** _____

ii) **B** _____

(b) Give the function of the parts marked with letters:

i) **C** _____

ii) **D** _____

(c) Which other name is given to the testa.

ENGLISH 1:

Write the singular forms of the following words

1. news _____
2. hippos _____
3. taxis _____
4. leaves _____
5. lives _____

Read the advertisement below carefully and answer the questions that follow in full sentences

FATHER MUSAALA AND THE DANCERS OF JESUS ON
EASTER SUNDAY WITH THE SHOW "ENDONGO YA YESU"

VENUE: MUDAGAVU HALL – KAKOOGA

TIME : 5:00P.M

COME AND PRAISE GOD

ORGANIZING COMMITTEE

Questions

1. On which day is the show going to take place?

2. Where will the show take place?

3. Who is being informed?

4. At what time will the show start?

5. Who wrote the advertisement?

SOCIAL STUDIES 2:

1. Mention three problems faced by the people who live in Kampala.
 - i) _____
 - ii) _____
 - iii) _____
2. Give three causes of child abuse in Uganda today.
 - i) _____
 - ii) _____
 - iii) _____
3. What are social services?

4. Mention the largest type of fish caught in Uganda.

5. Why do farmers harvest crops in the dry season?

6. Write KCCA in full.

7. Give two ways how swamps are useful to people.
 - i) _____
 - ii) _____
8. Mention three problems faced by schools under UPE in Uganda.
 - i) _____
 - ii) _____
 - iii) _____
9. What prayer did Jesus teach His apostles?

10. Mention the first prayer performed by Muslims in a day.

MATHEMATICS 2:

1. Write the place value of the underlined digits.

(a) 2 7 0 4

(b) 4 0 8 9

2. Find the value of 7 in 3708.

3. Find the sum of the value of 6 and 2 in 8,642.

4. Find the different between the values of 3 and 7 in the number 3478.

SCIENCE 2:

1. What is a flower?

2. Give one way flowers are useful to people.

3. The diagram below shows a flower. Use it to answer the questions that follow.

4. How is part **F** useful to a flower?

5. Name part **B**.

6. List down the parts of flower which make up the male part.

i)

ii)

7. What is cross pollination?

8. Why are petals of some flowers brightly coloured?

9. Name one agent of pollination in flowers that produce scent at night.
- _____
10. What process takes place in the ovary after pollination?
- _____
11. State two differences between wind pollinated flowers and insect-pollinated flowers.
- i) _____
- _____
- ii) _____
- _____
12. Diagrams below are of flowers showing different types of pollination.

(a) Identify the type of pollination marked;

- i) **Q** _____
- ii) **P** _____

(b) Define the type of pollination marked with letter **P**.

ENGLISH 2:

Write the plural form of the underlined words

1. The man has killed snake.

2. My tooth is paining.

3. A goose is a water bird.

4. We have a crisis at home.

5. A leaf has fallen from the tree.

6. He got a new toy cars on his birthday party.

7. One fox has four legs.

8. His torch got lost last year.

9. Our country is called Uganda.

10. He bought a new radio last week.

WEEK SIX

SOCIAL STUDIES 1:

1. Name three groups of people who use a compass.

i) _____

ii) _____

iii) _____

2. Why are symbols used on a map?

3. Who is a leader?

4. Name one tribe in Uganda that practices male circumcision.

5. Name the most swampy lake in Uganda.

6. Write RCC in full.

7. What title is given to the traditional ruler of the Acholi?

8. Who is a black smith?

9. Who led the Jews to the Promised Land?

10. Name the prophet who built the Kaaba?

MATHEMATICS 1:

1. Expand 7438 using place value method.

2. Expand 8462 using the value method.

3. What number has been expanded?

(a) $3000 + 200 + 10 + 4$

(b) $(4 \times 1000) + (9 \times 100) + (7 \times 1)$

4. Write 4072 in words.

5. Write in figures: Two thousand fifteen.

SCIENCE 1:

1. What is a seed?

2. What name is given to the seeds with two cotyledons?

3. The diagram below shows a bean seed.

4. Name part **D**

5. How is part **C** useful to a bean seed?

6. How is part **E** similar to the endosperm of a maize grain?

7. Which two parts in the seed form the embryo?

8. What is the importance of water during germination?

9. Name the type of germination shown in the diagram below.

10. Give one example of a plant with such type of germination.

11. Why is a maize grain referred to as a fruit?

ENGLISH 1:

Give the opposites of the underlined words

1. The actor went with his daughters.

2. The landlords are good people.

3. My step-father is honest.

4. The dog has entered its kennel.

5. The giant gave a brief speech about his background.

Arrange the following sentences to make a meaningful story.

- (i) We greet the teachers at the gate.
- (ii) At exactly 8:00 o'clock we begin the normal lessons.
- (iii) When we enter the gate in the morning.
- (iv) We sit down and write morning work.
- (v) We move straight to our classrooms.

SOCIAL STUDIES 2

1. Name the colour that shows brotherhood on the Uganda National Flag.

2. What is a community?

3. How is L. Katwe important to Ugandans?

4. Draw and name two tools used by early man.

	
_____	_____

5. Who is Busoga's current Kyabazinga?

6. Under which ethnic group are the Acholi?

7. Which type of wood is got from natural forests?

8. State the use of the Equator.

9. Give three ways Christians talk to God?

i) _____

ii) _____

iii) _____

10. Why do Muslims pray?

MATHEMATICS 2:

1. Find the value of the underlined digits.

(a) 6134

(b) 100721

2. Round off the following to the nearest tens.

(a) 465

(b) 552

3. Round off the following to the nearest hundreds.

(a) 199

(b) 4672

SCIENCE 2:

1. Name any three crop growing practices carried out by farmers on a farm.

- i) _____
- ii) _____
- iii) _____

2. Mention any two ways of clearing the land.

- i) _____
- ii) _____

3. State the importance of de-trashing as an activity in land preparation.

4. State two importance of preparing land.

- i) _____
- ii) _____

5. What is seed viability?

6. Write down any one quality of a good planting material.

7. Give any three examples of planting materials.

- i) _____
- ii) _____
- iii) _____

8. Why do we select planting materials before putting them in soil?

9. Write down two methods of planting.

- i) _____
- ii) _____

10. Give any two advantages of row planting over broadcasting method.

- i) _____
- ii) _____

ENGLISH 2:

Give the abstract nouns of the underlined words

1. Musa is a wise man.

2. Poor people should be polite.

3. That lake is very deep.

4. As high as heaven.

5. We are free from diseases.

Study the table showing the marks of five pupils and answer the questions about it.

1. Write the following in Roman numerals.

(a) 39

(b) 15

2. Write the following in Hindu- Arabic numerals.

(a) XXIV

(b) LIX

(c) CXXXII

3. Mukiibi is 24 years old. Write his age in Roman numerals.

4. Add: XXIX + XIV

SCIENCE 1:

1. What is a nursery bed?

2. Write the importance of a nursery bed.

3. What term is given to the act of removing a shed from a nursery bed?

4. Mention one importance of removing a shed from a nursery bed.

5. What is transplanting?

6. Give one reason why transplanting is done late evening.

7. Draw and name the garden tool used in transplanting.

8. Name one example of weed.

9. Identify any one importance of weeds.

10. State the difference between weeding and thinning.

ENGLISH 1:

Write the following in words

1. 5th - _____
2. 40 - _____
3. 30th - _____
4. 12th - _____
5. 9th - _____

Study the calendar below carefully and use it to answer in full sentences the questions that follow.

March 2016

SUN	MON	TUE	WED	THUR	FRI	SAT
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31

Questions

- (a) On which day did the previous month end?

- (b) How many complete weeks are shown?

- (c) How many days does this month have?

- (d) How many Sundays does this month have?

- (e) On which day of the month was 13th?

SOCIAL STUDIES 2:

1. What is afforestation?

2. Which term describes the plant cover of an area?

3. Name the map symbol below.

4. Name one crop grown in your district.

5. What type of rainfall is received in swampy areas?

6. What is a family?

7. How are goats useful to people?

8. What is transport?

9. Whom did God tell to build the Ark?

10. Who built the Kaaba?

MATHEMATICS 2:

1. Add:

$$\begin{array}{r} (a) \quad 7 \ 4 \ 6 \ 2 \\ + \ 4 \ 6 \ 6 \\ \hline \end{array}$$

$$\begin{array}{r} (b) \quad 5 \ 0 \ 4 \ 2 \\ + \ 1 \ 9 \ 3 \ 4 \\ \hline \end{array}$$

2. Subtract

$$\begin{array}{r} (a) \quad 9 \ 8 \ 2 \\ - \ 4 \ 0 \\ \hline \end{array}$$

$$\begin{array}{r} (b) \quad 8 \ 7 \ 8 \ 6 \\ - \ 3 \ 9 \ 2 \\ \hline \end{array}$$

3. Katurebe needs 25 cows to pay dowry.
He already has 17 cows. How many more must he find?
4. Tom has 42 pens. Mary has 38 pens. How many pens do they have altogether?

SCIENCE 2:

1. Write any one type of crops grown in our communities.

2. Give any one example of root vegetables.

The structure below shows a root. Use it to answer questions that follow.

3. Name the type of crops with the above type of root.

4. State the importance of structure **m**.

5. Give one example of crops with the root shown above.

6. Which process enables part **K** to absorb water and mineral salts?

7. State the difference between annual and perennial crops.

8. Name the garden tool below.

9. Write down one way of caring for crops.

ENGLISH 2:

Complete using a suitable word.

1. A _____ of cattle was grazing along the road.
2. We met a _____ of thieves on our way to Rwanda.

1. Divide

(a)
$$\begin{array}{r} 2 \overline{) 880} \end{array}$$

(b)
$$\begin{array}{r} 5 \overline{) 125} \end{array}$$

2. Jane distributed 320 books among 10 pupils. How many books did each pupil get?
3. Find the range of 0, 2, -3 and 4.
4. Work out the sum of 30%, 50%, 80% and 40%.

SCIENCE 2:

1. What is weather?

2. List down any three conditions of weather.
 - i) _____
 - ii) _____
 - iii) _____
3. Name the aspect of weather that leads to drought.

4. Write down any two farm activities done in a wet season.
 - i) _____
 - ii) _____
 - iii) _____
5. Which scientific name is given to the amount of water vapour in the atmosphere?

6. **Match each item in list A to the weather instrument in list B correctly.**

A

speed of wind

Direction of wind

Strength of wind

Humidity

Sunshine

B (weather instrument)

hygrometer

wind vane

Anemometer

Campbell recorder

Barometer

Wind sock

ENGLISH 2:

Re-write the sentences as instructed in brackets

1. The headmaster is smart. The headmistress is smart.

(Re-write as one sentence using: Both -----)
