   ///// ///// ///// //// =
   __ tens ___ ones

3. Multiply:
   (a) 3 x 5 =   (b)
$$\begin{array}{r} 4\ \ 2 \\ x\ \ \ 3 \\ \hline \end{array}$$

4. What is the time?
5. Study the sets below and answer the questions that follow.

C   **D**
(a) How many members has set D?

(b) How many members has set C?

(c) Which set has more members?

(d) Name set C.

6. Fill in the missing numbers

   101, 102, _____, 104

English

Fill in the missing letters.

1. h __ me

2. dr __m

3. bo __k

4. s __uth

5. __ __ __ cher

Use '**a**' '**an**' and '**the**' to complete the sentences.

6. There is _____ umbrella on the table.

7. _____ sun rises from the East.

8. Joel eats _____ egg everyday.

9. Sixty minutes make _____ hour.

10. I saw _____ owl on the tree.

Literacy I

1. What is wind?

   _____

2. State one use of the sun to man.

   _____

3. Name the best way we can make water safe for drinking.

   _____

4. State the main natural source of water.

   _____

5. Give one danger of too much sunshine in an area.

   _____

6. In which season do farmers harvest their crops?

   _____

7. Name the food store shown below.

_____

8. Give one crop that can be kept in the store above.

_____

9. Define (a) pruning

_____

_____

(b) thinning

_____

_____

Literacy II

1.   Give one word for the underlined group of words.

(a)   A school is an example of a <u>group of people living or working together</u>.

_____

(b)   Tomusange is reading a text book from the <u>place where books are kept</u>.

_____

(c)   I cannot hate the <u>place where I live</u>.

_____

2.   Write the following abbreviations in full.

(a)   LDU: _____
(b)   L.C _____

    (c)   Bees visit flowers to pollinate them. _____

    (d)   A rat is not a domestic animal. _____

6. Match correctly

A	B
Snake	flying
Caterpillar	running
Bee	slithering (gliding)
Cat	crawling
	Wriggling

7. What is the role of a dentist in our community?

_____

8. Name the largest star in the sky. (sun, son)

_____

9. When do we brush our teeth?

_____

10. Why is a P.3 child advised to wear shoes?

_____
Mathematics

1. Add: $\frac{2}{7} + \frac{3}{7} =$

2. Compare the sets

A
a b
c d e f

B
1 2
3 4

   (a) Which set has more members?

_____

   (b) Name the types of sets drawn above.

_____

3. Name the shape.

 _____

4. Write 548 in expanded form.

5. Share 12 mangoes among 4 girls.

6. Name this set symbol

_____

7. Draw and show 403 on the abacus below.

8. Subtract using a number line 6 – 4

9. If ◯ = 3 eggs

◯◯◯◯ = _____ eggs.

10. Write these figures in words.

(a) 2nd

_____

(b) 14

_____

(c) 40

_____

11. Complete the table below.

Stools	1	3	__	4	__
No. Of legs	3	__	6	__	18

Literacy II

1. _____ is a drawing of an object as seen from above.

2. A title of a map can also be known as the _____.

3. What do we call the four main points of a compass direction?

    _____

4. Of what use is a key on a map?

    _____

5. Draw a compass and name its four major points.

6. Draw maps and pictures for these objects.

a	Pot	_____	_____
b	Chair	_____	_____
c	Car	_____	_____
d	house	_____	_____

Answer either Christianity or Islam but not both.

7. Either: Name any four disciples of Jesus.

   _____

    Or: Name any four holy prophets of Islam.

    _____

WEEK TWO

Literacy II

1. Give the work of a police officer in a community.

   _____

2. Mention any two examples of basic needs of a family.

   i) _____

   ii) _____

   Army men,   blind people, deaf people, L.C. members.

4. State any three causes of insecurity at home.

   i) _____
   ii) _____
   iii) _____

5. Circle the effects of insecurity only.

   (a)   Love, fear, joy

   (b)   Laughters, death, sleeping

   (c)   Child abuse, singing, clapping

Mathematics

1. Shade $\frac{1}{5}$

2. What number is shown on the abacus?

   (a)   H   T   O   (b)   H   T   O

3. Match the number in set B with the members in set A.

   A   B

1 + 1		3
□		2
△		4

4. Add: $\frac{1}{3} + \frac{1}{3} =$

5. Share 24 apples among 3 boys.

6. Draw these shapes.

   (a)   Cone

   (b)   Rectangle

English

Use '**is**' '**are**' and '**has**' to complete the sentences correctly.

1.   Joel _____ playing football.

2.   Grace _____ two dresses.

3.   Jane and Joan _____ playing football.

4.   She _____ a very bright girl.

5.   Denis _____ a very nice phone.

Underline the odd word out.

6.   North   South   West   East   Sunday

7.   pig   cow   goat   sheep   lion

8.   mango   orange   pawpaw   bread

Literacy I

1. Give one use of plants to man.

   _____

2. Draw a plant and show these parts.

leaf	stem	root	flower

3. What do we call a young plant?

   _____

4. Name one condition needed for seed germination.

   _____

5. Mention the best soil for growing crops.

   _____

6. _____ is to plants as spiracles are to insects.

   _____

6. Either: Who leads prayers in a church?

   _____

   Or: Who leads prayers in a mosque?

   _____

Mathematics

1. Add: 1 + 2 + 5 =
2. What is a set?

   _____

3. One book costs shs. 300. What is the cost of 2 books?

4. Use **>, <** or **=** to complete correctly.

   (a)   ⅓ _____ ½

   (b)   ½ _____ ¼

   (c)   2 x 3 _____ 3 + 3

5. Fill in the correct numbers.
    = _____ hundreds _____ tens _____ones

6. Form other sets.

   A set of _____

   A set of _____

   A set of _____

English

Write the plural form of the underlined words.

1.   The <u>knife</u> is very sharp.

   _____

2.   We have an <u>ox</u> at home.

   _____

3.   Our <u>baby</u> cries every night.

   _____

4.   There is a <u>leaf</u> on the table.

   _____

5.   The <u>child</u> went home.

   _____

Form small words from the big ones.
6.   brother _____
7.   Sunday _____
8.   create _____
9.   harvest _____
10. breast _____

Literacy I

1. Name one farm animal that gives us milk.

    _____

2. Study the animal below and answer the questions that follow.
    (a) Name the animal shown above.

    _____

    (b) Where does the above animal live?

    _____

    _____

4. Give one reason why animals move from one place to another.

    _____

5. What are wild animals?

    _____

    _____

6. Name the young ones of the following animals.

    (a) Rabbit

    _____

    (b) Butterfly

    _____

    (c) Pig

    _____

English

Match animals to their young ones.

A	B
cat	calf
cow	lamb
sheep	foal
donkey	puppy
dog	kitten

cat _____
cow _____
sheep _____
donkey _____
dog _____

Read the dialogue and answer the questions that follow in full sentences.
Sheniz: Where does your mother work?
Jamaldin: She works in Kyengera market. What about yours?
Sheniz: My mother teaches at St. Joseph Primary School.
Jamaldin: How does your mother go to work?
Sheniz: She goes to work by bus.

Questions

1. How many people are talking in the dialogue?
   _____

2. Where does Jamaldin's mother go to work?
   _____

3. How does Sheniz's mother go to work?
   _____

4. Write the opposite of mother.
   _____

5. Write school in short.
   _____

Literacy I

1. Make correct sentences using each of these words.

   (a) Sanitation

   _____

   _____
   (b) Personal hygiene

   _____

   _____

2. Name these items used to promote sanitation at school.

   _____

   _____

   _____

Read these questions and answer in full sentences.

3. Why do we iron our clothes?

   _____

4. Which health practice do we carry out after visiting toilets?

   _____

5. What is food hygiene?

   _____

Write **correct** or **incorrect**

6. We should cover our food to prevent houseflies. _____

    (c) Food is anything good to _____ or drink.
    (d) An elephant trumpets while a baby _____.
11. List down two insects which spread diseases.
    i) _____
    ii) _____
12. Draw a flowering plant and show these parts.

Leaves,   stem,   roots

Mathematics

1. Fill in the missing numbers to complete the sequence.
   5, 10, ___, 20, ____
2. Shade M∩N

   M   N
3. Fill in correctly.
   749 = _____ hundreds ____ tens ____ ones
4. Add: 7 + 3 + 0 =
5. Name these shapes

   _____   _____

6. Shade: ¾

7. Multiply: 2 4 3
                  x   2
                  _____

8. Name this set symbol. $\varnothing$

_____

9. Write 600 + 4 as a single numeral.

10.   What is $\frac{1}{3}$ of 9?

11.   What number comes after 84?

        _____

12.   Divide   3$\overline{)30}$

Literacy II

1. What is a picture?

_____

_____

2. What is the use of a scale on a map?

_____

3. List two groups of people found in these places.

    (a)   School _____

    (b)   Hospital _____

4. (a) What is child abuse?

   _____

   _____

   (b) Give two examples of child abuse practices.

i) _____

ii) _____

5. Write down three elements of a good map.

i) _____

ii) _____

iii) _____

6. Identify four groups of people who use a compass when doing their work.

i) _____

ii) _____

iii) _____

iv) _____

7. Give the use of these body parts when serving God/Allah

   (a) Eyes _____

   (b) Mouth _____

   (c) Legs _____

   (d) Hands _____

WEEK THREE

Literacy II

1. A _____ is the drawing of an object as seen from above.

2. The drawing of an object as seen from the side is a _____.

3. How is a map different from a picture?

   _____

   _____

   _____
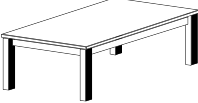

4. Give one use of a map to a traveller.

   _____

5. Draw the maps of the following pictures.

	_____
	_____
	_____
	_____
	_____
	_____

Mathematics

1. Add:
$$\begin{array}{r} 1\ 5 \\ +\ 3\ \ 4 \\ \hline \end{array}$$

2. Subtract:
$$\begin{array}{r} 1\ 0\ 0 \\ -\ \ 2\ 0 \\ \hline \end{array}$$

3. What is the first month of the year?

   _____

4. Subtract: $\dfrac{4}{7} - \dfrac{2}{7} =$

5. Name this set symbol $\varnothing$

   _____

6. Show a half past 2 o'clock on a clock face below.
7. Fill in the missing numbers.
   (a)   0, 2, _____, 6, _____
   (b)   5, 10, _____, 20, _____, 30, 35

English

Give the opposite of the underlined words.

1.   My shirt is very <u>dirty</u>. _____

2.   John is my <u>uncle</u>. _____

3.   <u>Open</u> the door, please. _____

Arrange the words to form a good sentence.

4.   your name is what?

   _____

5.   old years ten I am.

   _____

6.   my books I two have bag in.

   _____

7.   the Talk teacher to.

   _____

Fill the gaps with a correct word from the brackets.

8. The _____ gives us light and heat. (**son, sun**)

9. A _____ moves on water. (**sheep, ship**)

10. Do you _____ this boy? (**know, no**)

Literacy I

1. Name the part of a plant which is commonly visited by bees.
   _____

2. How do insects reproduce?
   _____

3. Give any one reason why a tick is not called an insect.
   _____

4. Ring the correct word.
   Sipracles   spiracles   spirakles

5. On which part of an insect are legs and wings attached?
   _____

6. Give one use of honey to people.
   _____

7. Name any three examples of domestic birds.
   i) _____
   ii) _____
   iii) _____

The part below is of a bird, study it and answer the questions that follow.

8. State the use of part X to a bird.
   _____

9. Give any one use of feathers to man.
   _____

10. Name one example of a bird which does not fly.
    _____

Literacy II

1. Write down two qualities of a good map.

i) _____

ii) _____

2. Give the importance of the following elements.

    (a) Title

    _____

    (b) Key

    _____

3. _____ points are the four major points of a compass direction.

4. Draw the compass and name the cardinal points.

5. A compass needle faces _____ direction when at rest.

Answer a Christian or Islamic question but not both on the same number.

6. Either: Mention any two local names given to God.

_____

    Or: Mention any two names given to Allah.

_____

Mathematics

1. How many twos make eight?

_____

2.

John
20kg

50kg
(a) Who is heavier?

_____

(b) Find their total weight.

_____

(c) What is the difference of their weight?

_____

3. Expand 232

4. What is the last day of the week?

   _____

5. Find the missing numbers.
English

Make four correct sentences from the table below.

Daniel and Paul	were	carrying a heavy box
He	is	playing now
They	are	sent back home yesterday
It	was	too hot today.

   i) _____

   ii) _____

   iii) _____

   iv) _____

Arrange the words in alphabetical order.

mat, chair, table, desk

_____

box, bag, but, bed

_____

money, milk, mat, men

_____

Literacy I

1. Define the term sanitation.

   _____

   _____

2. Give any one way we can keep our classroom clean.

   _____

3. State the use of the item below in your classroom.

   _____

4. Write 4Fs in full.

   _____

5. State any one reason why people smoke pit latrines.

   _____

6. Name one disease spread by a housefly.

   _____

7. Circle the correct word.

   diarrhoea   dairrhea   diarrheoa

8. How is a farmer important in our community?

   _____

9. Give the use of the following on a living house.

   (a)   Doors

   _____

   (b)   Windows

   _____

English

Complete the table correctly.

Adjective	Comparative	Superlative
_____	Better	Best
Long	Longer	_____
Bad	_____	Worst
_____	Shorter	Shortest
Simple	_____	simplest

Read the poem below and answer the questions that follow in full sentences.

There   There   There
There at home
There is mummy
There is daddy
There is brother and sister
There is aunt and uncle
        Raymond

Questions

1. How many lines make up this poem?
   _____
2. How many stanzas make up this poem?
   _____
3. Who is the writer of the poem?
   _____
4. How many people are in Raymond's family?
   _____
5. Is it an extended or a nuclear family?
   _____

Literacy I

Fill in the missing words to complete the sentences correctly.
1. The _____ is the main natural source of heat and light energy.
2. We kill germs in drinking water by _____ it.
3. Children should wash their hands after visiting the toilet to _____ germs.

7. Fly………………
8. List down two places where we commonly find wild animals.
   i) _____ ii) _____

9. Mention two benefits of domestic animals to man.

   i) _____

   ii) _____

10. What is the importance of dogs in our homes?

   _____

11. Name the domestic bird which provides us with security.

   _____

12. Why do we eat food? Give two reasons.

   _____

13. Write down any one good eating habit.

   _____

14. _____ clouds bring us rainfall.

15. Give one danger of some wild animals.

   _____

16. <u>Draw and name two examples of skin products</u>.

Mathematics

1. Study the venn diagram below and answer the questions that follow.

   P   **Q**

   3 2 6
   5 4 8 0
   (a) How many members are there in set Q?

   _____

   (b) Find (i) P$\cup$Q

   (ii) n(P$\cap$Q)

2. What number has been expanded?
   8000 + 300 + 70 + 4

3. An insect has 2 wings, how many wings do 4 insects have?

4. Fill in the missing numbers.
   (i) $\boxed{}$ + 5 = 8

   (ii) $\boxed{}$ - 4 = 3

5. An apple costs shs. 500. What is the cost of 2 similar apples?

6. Draw these shapes.
   (a) Triangle

   (b) Kite

   (c) Trapezium

7. Write these numbers in words.
   (a) 146

   (b) 36

   (c) 101

Literacy II

1. The sun rises from the _____ and sets to the _____.
2. In which direction does a compass needle point?

   _____
3. Name the capital city of Uganda.

   _____
4. A _____ is a place where we keep our money safely.
5. Give three ways of telling direction.

   i) _____

   ii) _____

   iii) _____

6. What is security?

   _____

   _____

7. Give the work of these people in our community.

   Police officer _____

   Security guard _____

   Religious leaders _____
8. Write in full.

   LDU _____

   LC _____

   PLE _____

   UPE _____

   For both
9. (a) Give two reasons why people pray to God/Allah.

   i) _____

   ii) _____

   (b) Mention the holy books for these people.

   Christians _____   Moslems _____

WEEK FOUR

Literacy II

1. Name two groups of people who use a compass direction when doing their work.

    i) _____

    ii) _____

2. <u>Name the map symbols drawn below</u>.
(a)   (b)   (c)   (d)

    _____   _____   _____   _____
3. Write down two traditional ways of telling direction.

    i) _____

    ii) _____

4. The sun rises from the _____ and sets to the _____

5. A _____ is used to measure the distance between places on a map.

6. Either: Which common practice is done by Christians after sinning?

    _____

    Or: Name any one common practice done by Muslims before entering the mosque.

    _____

Mathematics

1. Name these sets.

(a) A set of _____

(b)   P = {a, e, i, o, u} A set of _____

2. Add: $\dfrac{2}{7} + \dfrac{3}{7}$

3. Subtract:
$$\begin{array}{r} 4\ 8 \\ -\ 2\ 5 \\ \hline \end{array}$$

4. Divide: $24 \div 2 =$

5. Name this shape.

_____

6. Add 2 + 3 using a number line.

0 1 2 3 4 5 6 7 8 9
7. How many items are in 4 pairs.

8. Name these fractions.

(i) ⅓ _____ (ii) ¼ _____

English

Underline nouns in the given sentences.
1. This is a book.
2. My umbrella is new.
3. Nakato has gone to Nairobi.

   _____

Literacy I

1. _____ is the process by which rainfall is formed. (Water cycle, rainfall, evaporation)

2. What do we call water in gas form? (Ice, Vapour, Solid)

_____

Study the diagram below and answer questions that follow.

3. Name the processes marked **A** and **B**.
i) **A** _____
ii) **B** _____

4. How is the sun useful in the above process?

_____

5. Give any two importance of rain.
i) _____
ii) _____

6. Identify the process in plants that help in rainfall formation.

_____

7. What type of rainfall is received around hilly areas?

_____

8. Which type of clouds bring rain?

_____

9. What is the main natural source of water in the environment? (Rain, Rainfall, Clouds)

_____

10.   What is Ice?

_____
_____

English

Study the calendar below and answer in full sentences the questions that follow.

March 2016

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31

Questions

(a) Which month is shown on the calendar?

   _____

(b) Write the year shown on the calendar.

   _____

(c) How many days are named on the calendar?

   _____

(d) On which day did the month start?

   _____

(e) How many full weeks are on the calendar?

   _____

(f) Which day was the 31st of March 2016?

   _____

(g) How many Saturdays were there in March?

   _____

(h) Write the short form of the following;
   March _____
   Wednesday _____
   Friday _____

Literacy I

1. Write a meaningful sentence using the word '**accident**'
    _____
    _____

2. Underline Draw and name any two types of accidents common at school.

3. Use the graph shown below to answer questions that follow.

    A
    Parts   B
    of air   C
    D

    % of gases in the atmosphere

    (a) Name the parts of air marked; A, B, C, and D
        i)   A _____
        ii) B _____
        iii) C _____
        iv) D _____
    (b) Identify the component of air used in fire extinguishers.
        _____
    (c) Name one importance of gas B to animals.
        _____

4. Underline two examples of air borne diseases.
    Cholera, mumps, diarrhoea, measles

5. Give any one danger of strong winds to people.

    _____

6. Complete the table below correctly.

Natural sources of light	Artificial sources of light
The sun	Televisions
_____	_____
Volcanic mountains	_____
_____	telephones

7. Which vitamin do we get from morning sunshine?

    _____

8. Write down two characteristics of shadows.
   i) _____
   ii) _____
9. At what time do our shadows appear shortest in a day?
   _____
10. Arrange these sentences to explain the way rainfall is formed.
    (a) The condensed vapour becomes heavy and then falls as rain.

    _____
    _____
    _____
    _____
    _____

Mathematics

1. Complete the table.

x	2	3	4
1	__	3	__
2	4	__	8
3	__	9	__

2. Use a number line to work out correctly.
(a) 3 x 2

$$\longleftarrow \quad | \quad | \quad | \quad | \quad | \quad | \quad | \quad | \quad | \quad | \longrightarrow$$
0 1 2 3 4 5 6 7 8 9

(b) 4 + 3 =

$$\longleftarrow \quad | \quad | \quad | \quad | \quad | \quad | \quad | \quad | \quad | \quad | \quad | \longrightarrow$$
0 1 2 3 4 5 6 7 8 9 10

(c)   7 – 5

~~←~~—+—+—+—+—+—+—+—+—+—+→
   0 1 2 3 4 5 6 7 8 9 10
3. (a)   One packet holds 48 straws. How many straws will 3 packets hold?

(b)   A boy did 100 numbers and failed 27. How many numbers did he get correct?

4. Write the following in figures.
(a)   One hundred sixty four.

(b)   Two thousand fifteen.

5. Given the number 242
(a)   Draw and show the number on the abacus.

(b)   Write the number in words.

(c)   Expand the number using place values.

Literacy II

1. Write down the current names for the following.
   (a) Lake Nalubaale _____
   (b) Lake Mutanzige _____
   (c) Mt. Masaba _____
   (d) Owino market _____

2. Why are symbols used on a map?
   _____

3. Fill in the blank spaces with a correct word.
   My name is _____
   My school is _____. It is under Sir Apollo Kaggwa Schools.
   It is located in _____ kingdom, central Uganda, _____
   district.
   Answer either Christianity or Islam but not both on the same number.

4. Either: Match the following important days correctly

   Holy Thursday   Jesus resurrected from the dead.

   Easter Sunday   The beginning of lent period.

   Good Friday   Jesus served the last supper.

   Ash Wednesday   Jesus was crucified.
